OPTOMETRY ADMISSION TESTING PROGRAM

800-232-1694
oatexam@ada.org

EXAMINEE REPORT OF SCORES

| | <u>Standard Score</u> | <u>Percentile</u> |
|-------------------------------|-----------------------|-------------------|
| Quantitative Reasoning | 370 | 92 |
| Reading Comprehension | 360 | 80 |
| Biology | 360 | 85 |
| General Chemistry | 350 | 79 |
| Organic Chemistry | 340 | 80 |
| Physics | 340 | 90 |
| Total Science | 360 | 89 |
| Academic Average | 350 | 88 |

Standard scores used in the testing program range from 200 to 400. Only the standard scores are reported to the optometry schools. Through the use of standard scores, it is possible to compare the performance of examinees taking different editions of the Optometry Admission Test.

The **Academic Average** is the average of six scores rounded to the nearest ten: Quantitative Reasoning, Reading Comprehension, Physics, Biology, General Chemistry, and Organic Chemistry.

The **Total Science** score is a standard score based on all 140 questions in the Physics, Biology, General Chemistry, and Organic Chemistry tests. It is **not** the average of the four science standard scores.

The **Percentile** associated with each standard score indicates what percent of examinees received the same or a lower standard score.

This **Report of Scores** is for your personal use only. Score information will be made available to the optometry schools that you requested on your application.

Before official OAT™ scores are distributed to optometry schools, the OAT™ Program audits all responses to items in order to confirm the accuracy of the scores.
